

Our Lady of Perpetual Help School Athletic Department

August 27, 2009

Dear Parents/Guardians,

Beginning with this school year, all students participating in sports will be required to have a physical examination. The Diocese of Dallas Education Department has put this regulation into effect. No student will be permitted to participate in any sport (i.e. practicing or playing in games) without a completed physical form signed by a licensed doctor and on file at the school.

We are planning to offer physical examinations at the school for students wishing to be in sports. Arrangements are being made with a licensed doctor for this purpose. The charge will be \$10.00 per students. Complete the form at the bottom of this letter if you wish your child to have this examination completed at school. This registration form must be completed and returned to the school office by Friday, September 4, along with the \$10.00 fee. Parents/guardians will be notified of the exact time and date when the examinations will be done. Students do have the option, of course, of having their physical exams completed with another doctor of the family's choosing.

VOLLEYBALL PLAYERS...The volleyball season begins before the school physical will be able to be set up. Volleyball players will need to arrange to have their physicals completed outside of school. **Note well: All Volleyball players must return their physical forms to the school office no later than Monday, August 31.**

Should you have any questions about this policy, please contact Coach Thomas, OLPH Athletic Director.

Detach and return this form to the school office by Friday, September 4.

OLPH PHYSICAL EXAMINATION FORM

Yes No I wish to have my student participate in sports at OLPH this school year.

Yes No My child will have his/her sports physical examination done at the school when they are scheduled.
